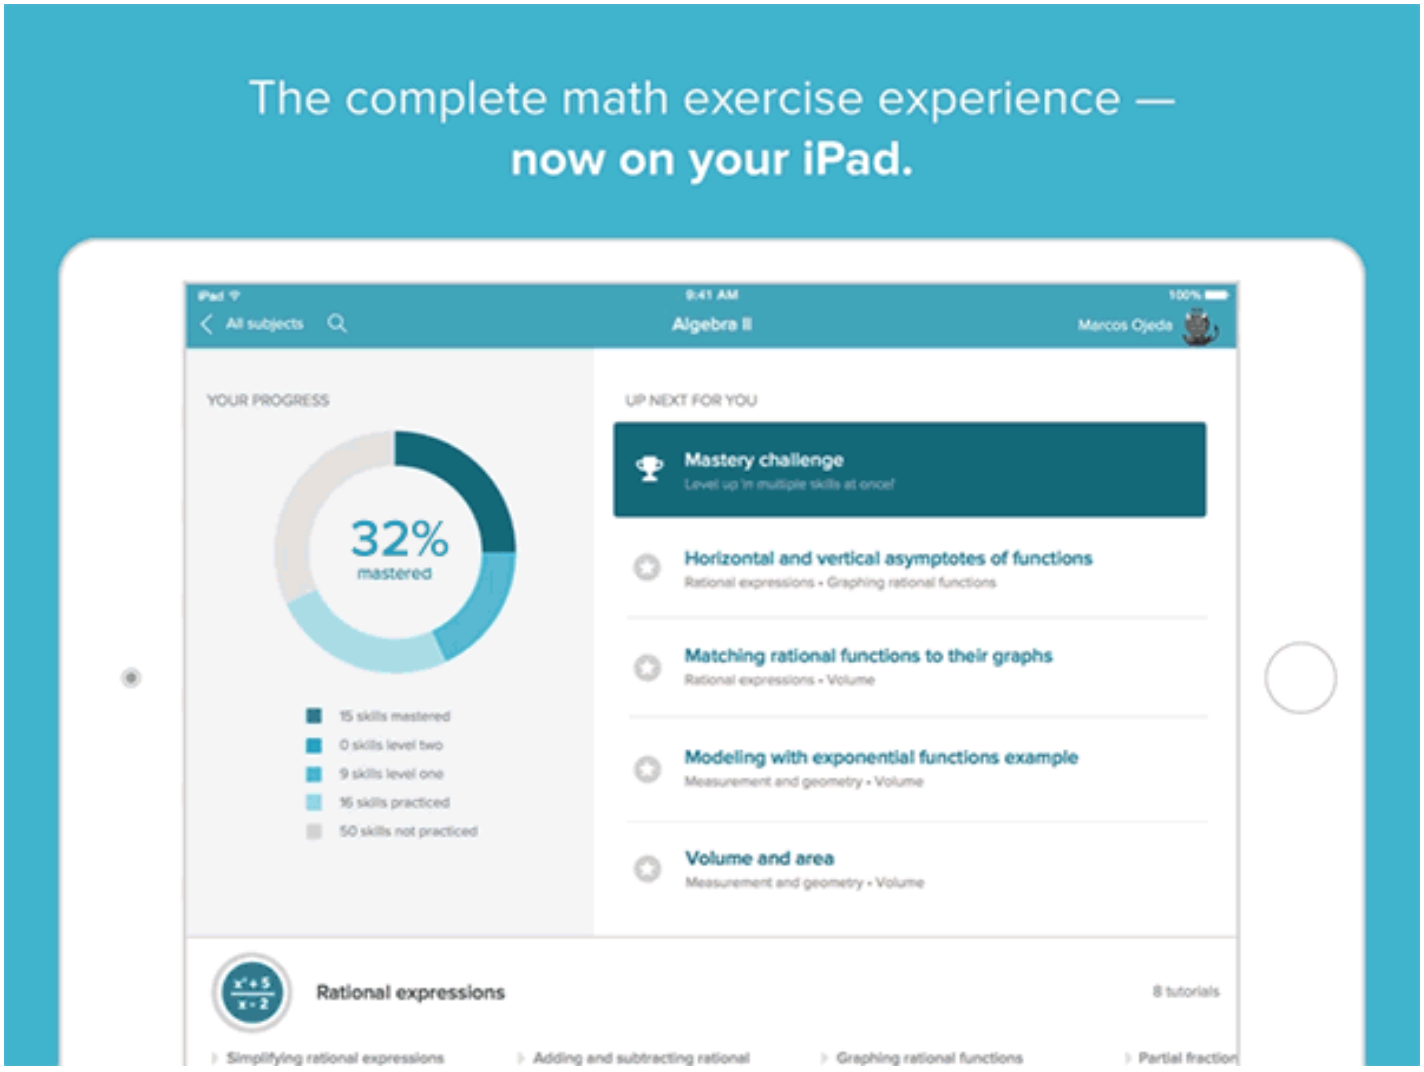
Subject:	Download the new Khan Academy iPad app. For free.

Hey there!

For the first time, the entire Khan Academy library is available on your iPad!

Download our app and experience the brand-new ways to learn math and more:



Available on the App Store

Sharpen your skills: Over 150,000 interactive exercises with instant feedback and step-by-step hints for each question.

Flex your muscles: Get interactive math exercise recommendations tailored just for you.

Show your work: No need for paper or typing -- use our touch scratchpad to work through math problems! Once you have your answer, just write it with your fingertip and we'll recognize it!

Track back: Your activity auto-magically syncs between your iPad and khanacademy.org, so your progress and recommendations are always up-to-date, anytime, anywhere.

We hope you enjoy Khan Academy being, quite literally, at your fingertips!
